RODEO NEWS

This is rodeo week in St. Albert and on behalf of all the participating organizations we extend a cordial invitation for everyone to attend "RODEO 104". Stock Contractor and Rodeo Producer Mr. Reg Kesler of Rosemary, Alberta has arrived in St. Albert with some of the top rodeo stock in North America - including Wanda Dee, Worlds' Champion Bucking Horse (1964).

Mr. Kesler advises that most of the leading cowboys in Canada as well as a number from the U.S. have indicated they will be on hand.

The highlight of the Friday evening performance of Rodeo 104 will be the official opening. The Lt. Governor of Alta. Dr. J. Percy Page will be in St. Albert to announce the opening address at 7:00 P.M. Dr. Page will be accompanied by Mrs. Page, Mayor and Mrs. deBruijn, Councillor and Mrs. Stewart and Mr. and Mrs. Mike Page of the Kinsmen Club.

An added feature of the Saturday afternoon show will be a long distance race sponsored by the Hercules Club. This race will cover a total distance of 4½ miles and will start from the Rodeo arena at 1:55 p.m. The Hercules Club has sent invitations to all of the top distance runners in the Province.

For the children a big attraction at the rodeo will likely prove to be the exhibition of trick riding put on by the "Duce Sisters" of Graman. Dressed in colorful costumes the two sisters, Jerri and Joy will demonstrate their riding ability at each of the three performances of Rodeo 104. It is expected the girls will also be competing in the "Girls Barrel Racing".

Saturday afternoon is childrens day with all school children to be admitted for half price from 11:00 a.m. (when the gates open) to 4:00 p.m. Tickets for the 12 Midway rides will be half price between the hours of 2:00 to 5:00 p.m. Pre-school age children will be admitted to the grounds free of charge at all times.

Parking for approximately 5000 cars has been arranged for at the North end of the Rodeo Grounds. The main entrance gate is located adjacent to the parking lot. A pedestrian entrance has been set up on St. Vital Avenue, and this avenue will be closed to general traffic for the two days between Highway 2, and Madonna Avenue.

Mr. Jerry Smith advises that the souvenir program has been completed and this program book contains many feature articles as well as an excellent full page history of the Town of St. Albert.

These programs will be available from members of the Hercules Club. Rodeo Queen Chairman - Morley Brown advises that as of June the standings in the "Miss Rodeo 104" contest are as follows:

1. Jeanne Houle - Beta Sigma Phi
2. Joanne Gravelle - Hercules Club
3. Wendy Parkes - Drama Club
4. Anita Arundel - Trio Teen Club
5. Gail Brewster - St. Albert Legion
6. Sherry Swain - Lions Club.

The "Miss Rodeo 104" contest closes Friday evening with the lucky Queen to be announced and crowned at the community league dance of that night. The draw for the Television set will take place immediately following the crowning of "Miss Rodeo 104" so if you haven't bought your ticket yet - please do so!

The Community League dances to be held each night are at the community hall, and will commence at approximately 9:30 p.m. Music for these dances will be provided for by the Tune Smiths', featuring Nashville, Tenn. - Grand Ol' Opry recording artist Joyce Smith. The Tune Smiths will also provide background tempo music at all three performances of Rodeo 104.

Mr. Bob Forcand of the Parade Committee advises that over 50 entries have accepted invitations to participate in the giant parade Saturday morning. It is expected that this number will increase as last minute entries come in. A large scale map of the parade route is printed elsewhere in this issue of the GAZETTE.

On Monday, June 14, the UCW Annual Pot Luck Supper was held in the Church Lower Hall. Some 40 ladies were present and had as their guests: Mr. & Mrs. G.C. Findlay, former missionaries to Korea; Mrs. H. Villet, widow of the first supervising minister to St. Albert; Mrs. C. Usher, first president of the W.A. in St. Albert; and Dr. & Mrs. Schwarz.

Following the supper it was announced that the UCW Unit in South West Grandin Park would take as its name "H. Villet Unit"; and that the UCW Unit in Braeside would take as its name "Catherine Usher Unit". The Chairwomen of these units, Mrs. Vettergreen and Mrs. Rogers, made the announcements and Mrs. Villet and Mrs. Usher replied. The UCW presented the Schwarz's with an electric powered barbecue as a farewell gift and Mrs. Schwarz expressed their appreciation for the gift and the association that has been shared for four years. The UCW then retired to the chapel for a devotion and program. The Findlay's showed slides and spoke of their experiences in the Korean Mission Field.

music, although it may be cast in some form, may well express deep religious experience and conviction. Similarly folk music that might appear to have but shallow entertainment value might we carry spiritual and ethical aspirations. Music of unusual quality is not unknown to St. Albert United Church. Some months ago the minister, Rev. Dr. and Schwarz built an evening service around the music of the "Chieftones", a modern group from the Edmonton Indian Residential School. All music lovers are welcome to attend the Thursday presentation.

ANGLICAN CHURCH

An "Autumn Carnival" is being planned by St. Matthew's Anglican Church as an unusual fund raising activity. It is slated for September 18 after the back-to-school rush and the entire parish will be involved, with men's and young people's groups taking active part. Various forms of children's entertainment will be offered with fish ponds and games of skill for all ages. Novelties, such as table decorations, will be on sale, as well as preserves, pickles and some of the more unusual bazaar items. In keeping with the carnival theme, hamburgers and hot dogs will be available.

or the ordinary rice prepared ahead of time and reheated. Here's how to re-heat: Using a heavy pan, sprinkle measured rice with one tablespoon of water for each two cups of rice. Cover tightly and allow to heat slowly. Before serving, fluff with fork. Cream sauces also store well in the fridge. The medium sauce heated with colorful vegetables and sliced hard-boiled eggs over diced meats and canned tuna or salmon on a platter makes a tasty dish. Salads bring relief to jaded appetites and often fill in for a meal on an especially warm humid day. Let's try this recipe sent in by Mrs. I. Young.

LIME SALAD

To 1 pkg. of lime jello add 1 c. boiling water. Partly set. Fold in 1 c. cottage cheese.

$\frac{1}{2}$ c. salad dressing, 1 c. whipping cream or canned milk, whipped. 1 small tin drained, crushed pineapple. Chill in refrigerator.

Mrs. E. Jhanney sends in her family's favorite cake desert.

LEMON CRUMB CAKE

20 single salted soda crackers - rolled fine

1 cup all-purpose flour

$1\frac{1}{2}$ cup medium shredded coconut unsweetened.

$1\frac{1}{2}$ c. white granulated sugar

$\frac{1}{2}$ c. butter.

Mix well. Put half in a buttered square cake pan. Press down lightly. Save other half for top.

FILLING:

1 c. white sugar

grated rind & juice of medium lemon

2 heaping tablespoons corn starch

1 beaten egg

1 tablespoon butter

$1\frac{1}{2}$ c. boiling water

Mix ingredients adding water last.

Bring to boil stirring constantly until thickened. Cool slightly. Pour filling over crumb mixture in pan. Cover

with remaining crumbs and bake until golden brown, usually $\frac{1}{2}$ hour at 350.

Allow to set before cutting.

More recipes will be welcomed for next week.

Comments On Parks

by R. R. GATE, Parks Dept.

Parks are spaces of limited use and flexible form, developed with a minimum of construction and a maximum of natural unprocessed materials for general relaxing, viewing, meditating, dreaming, free play, and even quiet socializing. A park in my opinion should be developed as ground-meeting for man and nature, in which each makes adjustments to the other.

Playground areas are a small part in the concept of a park, in which active play and organized activities participate. They must be developed with largely structural materials for specific programmed facilities of all types: playfields, race tracks, natural outdoor theaters, etc...

The balanced recreation park is a different and more complex, though perhaps less subtle and poetic problem than the primarily passive green park space, designed for the enjoyment of all citizens of all ages based itself on the pastoral meadow; with rich variations, in terms of topographical rock, water, and vegetation formations of natural inspiration developed around this central concept.

Play should be experimental not set; a release from frustration. Play should not duplicate school or home facilities or activities. Research has shown that children like a green world and the most enduring recollections carried over by adults are landscape elements such as trees, grass, and water remembered from their childhood. Balancing these special considerations is to encourage the family to play together in the same area. Most playgrounds are hard, barren, and dreary in character. Why? The primary limitations are inadequate budgets for develop-

ment and maintenance of standard design of parks which will be facilities which are not green spaces.

The answer lies with the support the public gives to elected and appointed officials for better parks. The answer is with the public's support for better parks.

HERCULES

HERCULES WITH JIMMY L-4328

It appears after two weeks, that the Hercules "hobos" are going to be the team to beat.

Hobos 4 - Hotshots 2

The Hornets took a 2-0 lead in this one then fell under after 2 goals by Stewart McKinnon and a last minute goal by Dennis Sanchez.

Hobos 4 - Hotshots 2

Johnny Burrows and Raymond LeBlanc got the Hotshots into a first half lead of 2-0 last Saturday, with St. Albert's Scottish singer Johnny Forrest, officiating. Then in the second half lead by a borrowed player from the Hornets, Don Davies with 3 straight goals and the sharp goal tending of David Upright, the Hobos came up with their second straight game.

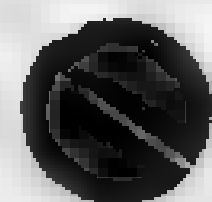

The Hercules Meteors have also joined the Edmonton Metropolitan Minor Soccer Association with one team a few boys from each of the three teams. At Kinross Park in Edmonton last Sunday, they took on the Jasper Place Meteors and the two teams battled for 30 minutes before Gordon Brown with a high shot put St. Albert in the lead 1-0, then their first let down in the game allowed Jasper Place to tie the score 1-1, with only 3 seconds to go.
